

Women's Bible Study – Revelation

Week 2

Group Questions

- 1) Which of these attributes of Jesus most comforts you? Why?
- 2) Imagine yourself in this situation — John, who knew Jesus so closely on earth, yet parted physically for 60 years — what emotions would you be feeling and what questions would you have?
- 3) What will the world find difficult and offensive about this text? Why? How do we as Christians respond to that offense?
- 4) How does this vision of Jesus help you live now?
- 5) Does the text call us to do anything (explicitly or implicitly?) How are you being challenged to live differently this week?

Reflect This Week

Look over each of these attributes of Jesus this week. Ask yourself which one or two attributes you most need to remember daily to be comforted and to be empowered to grow as a disciple. Find a way to create a visual reminder of this image that you will see daily (eg. art, jewelry, alarm on your phone, etc). Journal about how keeping this attribute in mind has helped you in your discipleship.
